They say Mother Nature made the Grand Canyon,
but she lives in Sedona.

2 hours from Phoenix | 2 hours from the Grand Canyon

Sedona is a nature lover's paradise. With 400+ miles of trails, visitors have instant access to some of the country's best hiking and biking trails. And, at night, stargazers marvel at the miraculous star-scape.

Known as a place of spiritual influence, Sedona's vortexes are believed to unleash powerful energy. And as Native Americans did centuries before, the area spas use indigenous materials for relaxation and healing.

Sedona is an art mecca for artists and collectors alike. Its dramatic landscape and ever-changing light inspires artists of all levels, and the world-renowned art galleries are the perfect enclave to showcase their incredible work.

There is so much to see and do, so stay another day and explore Sedona's local secrets. Find the most breathtaking locations at **SedonaSecret7.com** and learn why Sedona is the Most Beautiful Place on Earth.

SEDONA
ARIZONA

A jewel among historic hotels in Washington DC, The Jefferson started life as a luxury apartment block in 1923. Designed by architect Jules Henri de Sibour in the stunning Beaux-Arts style, by 1955, the apartments had transformed into a hotel for the most discerning travelers. To bring this landmark building into the 21st century, a collective of the world's finest architectural, design, and construction firms spent two years renovating it from top-to-bottom, infusing modern elegance and historical influences into the stately structure. Adding a state-of-the-art kitchen and elegant upgrades to all the suites and rooms.
